the next chapter in faith-based education
at 67th & California.***

Our beloved St. Casimir Academy and Maria High Schools have closed, but their legacies live on through the marvelous work being done at the Maria Kaupas Center. Learn more about the MKC and how similar it is to SCA and MHS through this special edition of the Alumnae Newsletter.

The more things change, the more they stay the same.

This is certainly true of the Maria Kaupas Center, the legacy of St. Casimir Academy and Maria High School. What's so special about the Maria Kaupas Center and why does it matter? Sister Margaret Zalot, SSC answers these questions and more in her heartfelt reflection and appeal.

"I've always marveled at the great faith the Sisters had to open a school in 1911 with 21 students... And then, in the late 1940's, they...took the risk to build Maria High School on the prairie at 67th and California... Now,

...they wanted young people to be 'transformed.' Thus the MKC was born." [Read more](#) to celebrate the successes, even amidst hardships, of these visionary women.

It's "GIVING DECEMBER!"

Now it's your turn! Help keep our legacy, the Maria Kaupas Center, alive. Join in their annual fundraiser, "Giving December." If we can raise \$7500 during December, our gift will be matched through a generous challenge grant from the MKC Board and staff! Send your donation before December 31, 2015, and your gift will be doubled!

There's even more! The Alumnae Association will donate \$1 for every alumna who makes a donation. Our goal of 1000 donors would mean an additional \$1000 for the MKC! Which class will have the largest percentage of donors? Check our [Facebook](#) page or our [website](#) to see how your class is doing.

Donations can be made securely on the [MKC website](#). Please be sure to put your maiden name and year of graduation in the "dedication" box toward the bottom of the page. May God bless you for your generosity.
